6 PM | Cocktails, hors d'oeuvres, and social time

at Kingdom Prep Lutheran High School
2520 N. Wauwatosa Ave., Wauwatosa, WI

[RSVP](#) by October 30, 2024

The Collaborators' Event brings together donors, foundations, multi-generational families, and friends from the Christian community for an engaging evening where guests learn about and commit to funding vetted nonprofits and ministries. We hope you will join us!

Since the start of this event, donors have generously contributed over \$660,000 to Lutheran and Lutheran affiliated organizations that share the Gospel, educate children and youth, and serve the needs of our neighbors. Thank you for your remarkable generosity!

Join us as we showcase **14 best-in-class grantee partners** leading in **collaboration, innovation, and impact**, with a new emphasis on expansion in 2024.

- Guests and their families are encouraged to discuss and choose organizations and programs to support.
- Contributions of any amount are welcomed—there is no minimum gift required.
- Siebert will match donations up to \$100,000, and every dollar raised will go directly to the selected ministries.
- This event is ideal for families looking to foster a spirit of generosity. Families are encouraged to discuss the selected ministries, especially with younger family members who gain confidence and leadership skills through the process.
- Families can participate together via Zoom, whether near or far, allowing everyone to be part of the experience, even from different locations.
- Feel free to invite family and friends to join you as your guests for this special event!
