

# Wisconsin Philanthropy Network (WPN): We exist to help you make more informed giving decisions

Your partner for effective giving

[www.wiphilanthropy.org](http://www.wiphilanthropy.org)

## FUNDER ROUNDTABLES

Meetings where funders can discuss funding strategies, share insights, and collaborate on common goals. Examples include Community Foundation CEO's, Corporate Funders, Education, Equity, Impact Investing, and Rural.

## RESOURCE LIBRARY

A comprehensive collection of documents including surveys, reports, benchmarking data, and recorded sessions available for reference and learning.

## EQUITY

Initiatives and programs focused on promoting fairness and inclusion within member organizations, the communities they serve, and across the philanthropic sector as a whole.

## DISCOUNTS

Special offers and reduced rates on products, services, and events available exclusively to partners.

## ADVOCACY & PUBLIC POLICY

Efforts and activities aimed at influencing and educating public policy matters affecting the sector and our state.

## MEMBER LISTING

Quarterly update of all WPN member organizations by category.

## SECTOR NEWS

Updates and relevant news specific to the philanthropic sector, keeping members informed about the latest developments and trends. Examples include E-Blast, and "In Touch with Tony".

## PEER CONNECTIONS

Opportunities to connect with organizations/individuals who have similar interests or roles to share experiences and offer peer support/thought partnership.

## QUARTERLY ORIENTATIONS

Quarterly sessions designed to provide an overview of the organization, welcome new and existing partners, and provide an overview of benefits making the most of your investment.

## STATEWIDE PHILANTHROPY CONFERENCE

The Wisconsin Philanthropy Network's Biennial Statewide Conference is the largest gathering of philanthropic and nonprofit representatives in Wisconsin. This convening offers one-of-a-kind professional development and networking opportunities to support and promote effective philanthropy in Wisconsin.

## WISCONSIN GIVES REPORT

Signature electronic publication detailing philanthropic activities and trends within Wisconsin, providing valuable insights.

## GRANTMAKER BOOTCAMP

A series designed to help update skills and knowledge on current best practices in the sector.

## POLICIES & PROCEDURES

Resource for guidelines and tools for investment policies, guidelines, and overall support of the organization's operations and conduct.

## JOB POSTINGS

Post current job openings which will reach a vast network of professionals seeking new opportunities.

## CHARITY CHECK

A service that verifies the legitimacy and status of charitable organizations, ensuring donations are made to credible entities.

## ISSUE COLLABORATIVES

Groups are formed to address specific issues, allowing members to work together on targeted initiatives and projects.

WPN is not only for senior leadership; your investment covers all staff including your boards.
